

## Manipal University, Manipal

Department of Physics, MIT Manipal

### JRF Position in BRNS Project

Applications are invited for the position of Junior Research Fellow (JRF) in a Board of Research in Nuclear Science, Department of Atomic energy, Government of India, funded research project entitled '**Nonlinear optical studies of organic materials using continuous wave laser**', under Dr P. Poornesh, Department of Physics, MIT, Manipal University, Manipal 576 104. The fellowship tenure will be for three years with an emolument of Rs 16,000 per month for the first two years and Rs 18,000 per month for the third year. Further, there is possibility for the candidate to register for Ph.D. under Manipal University.

Applications on plain paper with relevant documents should reach the **Principal Investigator**, on or before **15 April 2011**, along with a soft copy to: poorneshp@gmail.com

**Post name** : JRF  
**Qualification** : M.Sc. in Physics

#### Dr P. Poornesh

Assistant Professor  
Department of Physics  
MIT, Manipal University  
Manipal 576 104

## University of Mysore

Department of Studies in Chemistry  
Manasagangotri, Mysore 570 006

### Applications are invited for the JRF Post

This is in continuation of our advertisement in *Current Science* on 10 February 2011, Vol. 100, 3, page no. 417. One JRF to work in the CSIR sponsored project on '**Highly regioselective synthesis of 1, 3, 5 tri aryl/hetero aryl pyrazole and its application as estrogen receptor blocker in the treatment of breast cancer**' (Sanction No. 01(2434)/10/EMR-II).

**Post and duration** : One JRF – 3 years.  
**Qualification** : M. Sc. in Chemistry/Biochemistry/Molecular biology/Biotechnology with minimum 55% marks.  
**Emoluments** : Rs 14,000 per month + HRA.

Candidates possessing the requisite qualification may submit their application on plain paper giving their Bio-Data and attested copies of the certificates and mark sheets within 5 April 2011. No TA/DA will be paid for attending the interview.
