

## ANNOUNCEMENT

### 1<sup>ST</sup> GLOBAL FORUM ON BACTERIAL INFECTIONS

Balancing Treatment Access and Antibiotic Resistance  
India Habitat Centre, New Delhi. 3–5 October 2011

A forum to present **new antibiotic access and resistance data**, and for policymakers, clinicians, public health program managers and researchers to debate **policy innovations in low- and middle-income countries**. Topics include:

- Hospital-acquired infections (including pneumonia and sepsis) and hospital infection control
- Antibiotic resistance in public, private and mission sectors
- Community-acquired pneumonia
- Antibiotic stewardship
- Use of antibiotics in the community and in hospitals and other healthcare facilities
- Vaccines
- Antibiotics in livestock and other food animals
- Policy responses to expand antibiotic access while limiting the spread of resistance

**Abstract submission deadline: 31 August 2011. Early registration deadline: 15 July 2011. Full and partial travel awards are available to cover costs of conference attendance.**
