

# Paediatric Biology Centre Translational Health Science and Technology Institute

(An Autonomous Institute of the Department of Biotechnology, Govt of India)  
496, Udyog Vihar Phase III, Gurgaon 122 016

## Recruitment for Scientific Position

The Department of Biotechnology, Ministry of Science and Technology (Government of India) has established the Translational Health Science and Technology Institute (THSTI), an autonomous institution, as a part of the interdisciplinary Health Biotech Science Cluster, in the National Capital Region. Major Indian and overseas institutions are mentoring the development of THSTI. The institution is designed to be a dynamic and interactive organization with a mission to conduct innovative translational research and develop research collaborations across disciplines and professions to accelerate the extension of concepts to the improvement of human health. The other members of the cluster include the Regional Centre for Biotechnology (RCB) under the aegis of UNESCO, with which THSTI will have seamless scientific collaboration to achieve interdisciplinary expertise. The cluster institutions will have access to state-of-the-art experimental animal facility, and platform technology resources. The permanent laboratories of THSTI will come up at Faridabad over the next three years. Interim facilities are functioning from Gurgaon near the South Delhi area with adequate housing, transportation and schooling facilities in the neighbourhood. Campus housing may be made available when the institution moves to the Faridabad campus.

The Paediatric Biology Centre (PBC) is a programme of THSTI with the mandate to study (a) human perinatal biology; (b) maternal, faetal, neonatal and childhood infections; (c) nutritional biology, and (d) other childhood illness. The work envisaged is multi-disciplinary in nature. Search for scientific, and clinical staff is in progress. This advertisement is to search for people who are enthusiastic, motivated and willing to engage in institution building.

Applications are invited from suitable candidates for the following positions:

Sl. no.	Name of the post	Age limit	Pay Band + Grade Pay	Total min. emoluments
1	Scientist E (Clinical/ Non-clinical/Statistical investigator)	55 years	Rs 37,400–67,000 + Rs 8700	Rs 88,000
2	Scientist D (Clinical/ Non-clinical/Statistical investigator)	50 years	Rs 15,600–39,100 + Rs 7600	Rs 58,000
3	Scientist C (Clinical/ Non-clinical/Statistical investigator)	40 years	Rs 15,600–39,100 + Rs 6600	Rs 50,500

Scientists in clinical stream will be eligible for non-practicing allowance.

The last date for receipt of completed applications is **30 September 2011**. Information on application format and other details are available at <http://www.thsti.res.in>
