

## IMGENEX India bagged the Biospectrum Asia-Pacific Emerging Company of the Year Award 2011!

Thanks to the Research Communities for continuous support

*Our Product lines include:*

- **Primary antibodies against various pathways of biological system.**
- **Antibodies against  $\beta$ -actin, GAPDH, Tubulin as loading controls.**
- **Secondary antibodies.**
- **Custom services for monoclonal and polyclonal antibody development and peptide synthesis.**
- **For other biological reagents, please visit our websites:**
