

Centre for Cellular & Molecular Platforms

A Dept. of Biotechnology (DBT, Govt. of India) Initiative

Member of the Bangalore BioCluster
C-CAMP • NCBS • inStem

Our cutting-edge Technology Platforms
Development • Service • Training

Two new technology platforms in our repertoire!!!

Next Generation Sequencing

Protein Biology Core

Confocal & Fluorescence
Microscopy

Flow
Cytometry

Mass Spectrometry &
Proteomics

Transgenic
Fly Facility

High Throughput
Screening

IP & Technology
Transfer Office

Applications are invited for hands-on training courses in the field of

Flow Cytometry

Dates: 13th-16th December

Please contact us at training@ccamp.res.in for more information.

Note: The last date for applying for the course is 1st Nov, 2011. Application can be found at
<http://www.ccamp.res.in/upcoming-courses.html>

For details, write to us at ccamp@ncbs.res.in
or services@ccamp.res.in or training@ccamp.res.in
