

HAVE YOU SPOTTED YOUR WINNING IDEA YET?

Calling all scientists, researchers, innovators and entrepreneurs. We urgently need your innovative ideas to help solve the greatest health and development challenges in India and around the world. Come forward with your bold proposal and win a \$100,000 grant from Grand Challenges Explorations to pursue and test your concept. All it takes is a simple two-page application. No preliminary data is required — we invest in creative solutions that show great promise. To get started, log on to www.grandchallenges.org
