Invites Nominations from Scientists/ Researchers for Forthcoming IODP Expeditions

The Director, National Centre for Antarctic and Ocean Research (NCAOR), on behalf of IODP-India invites nominations in a prescribed format along with detailed bio-data and research/professional experience, from geoscientists/researchers working in established national institutions/organizations and universities, to participate in the forthcoming Integrated Ocean Drilling Program (IODP) expeditions 344 (CRISP-2) and 345 (Hess Deep Plutonic Crust). NCAOR will provide the requisite financial support to the selected candidates towards their participation in the said expeditions. However, it will be the responsibility of the candidates to obtain the necessary Visas/permissions from the countries of embarkation and disembarkation on their own. A scientific plan is mandatory for a successful nomination. Once nominated, candidates will have to submit a detailed science plan along with sample data request which may also form a basis for collaborative research programmes between their host organization and NCAOR.

Further details including last date of nominations can be obtained at www.ncaor.gov.in or by e-mail to iodp.india@ncaor.org.

For and on behalf of NCAOR
Program Officer (IODP-India)
