

Botanical Survey of India (BSI)

CGO Complex, 3rd MSO Building, 5th Floor,
DF Block, Sector I, Salt Lake, Kolkata 700 064

Appointment of Emeritus Scientists

Applications are invited for 3 (three) Emeritus Scientist Positions in BSI from outstanding retired Indian botanists to pursue Taxonomic Revisions under 'Flora of India' programme. The last date for submission of the application in sealed envelope at above address will be **30 days** from date of publication of this advertisement in Current Science.

Qualification: A Doctorate in botany and an acknowledged expert in relevant field actively engaged in research in the preceding five years as evidenced by overall academic standing and the quality of publications especially in the field of research proposed by the scientist.

Honorarium and tenure: Rs 20,000 per month and an annual contingent grant of Rs 50,000. The initial appointment will be for 3 years, extendable by further 2 years (in deserving cases) till the Scientist attains the age of 65 years, whichever is earlier. The scientist may be provided with one or two Junior Research Fellow(s) of BSI.

Procedure for applying: Scientists willing to be considered for this position may apply in prescribed format through the Director/Head of Institute/Department where the candidate proposes to carry out the research work with a certificate that the core facilities will be made available and permission for the Scientist to work on the proposed scheme. Scientists can also opt for being attached to one of the nineteen regional centres, local offices or units of BSI.

Scientist E (Tech.), Hqrs., BSI, bsi.headquarter@gmail.com

Bharathidasan University

Position of RA and JRF in DAE-BRNS Projects

Applications are invited for 1 RA and 8 JRF positions under the Coordinated Research Projects entitled 'Remote Sensing and GIS Studies on Beach Placer Deposits of East and West Coasts of India' (No. 2012/36/30-BRNS/1671-73&75 dt. 11-10-2012), sponsored by the BRNS, Department of Atomic Energy, Govt of India. The fellowship is for the period of three years and co-terminus with the project.

Research Associate – 1 No.: M.Sc., Geology/Applied Geology with Ph.D. in Remote Sensing and GIS (or) M.Sc., Geology/Applied Geology with M.Tech., Geological Remote Sensing with 2 years' experience.

Fellowship: Rs 22,000 p.m.

Junior Research Fellow – 8 Nos.: M.Sc., Geology/Applied Geology/Geo-informatics (experience in Remote Sensing and GIS is desirable).

Fellowship: Rs 16,000 for the first two years and Rs 18,000 for the third year.

Application including bio-data should be sent to **The Professor and Head, Centre for Remote Sensing, Bharathidasan University, Khajamalai Campus, Tiruchirapalli 620 023, Tamil Nadu, within 15 days** from the date of publication of this advertisement.

National Chemical Laboratory

Pune 411 008

Project Assistant-II Position

Applications are invited for the post of PA-II (temporary position) in the Ministry of Earth Sciences funded research project entitled '**Identification of novel anti-cancer agents based on marine natural products**' at NCL, Pune.

Qualification: The applicant should have M.Sc. in Organic Chemistry with minimum 55% marks. NET qualified or candidates with experience in organic synthesis will be preferred. Age limit is 28 years and age relaxation is applicable in case of OBC/SC/ST candidates.

Applications with relevant documents should be addressed to: **The Head, Organic Chemistry Division (Kind Attn: Dr D. S. Reddy), National Chemical Laboratory, Pune 411 008, so as to reach on or before 21 January 2013.**

National Chemical Laboratory

Pune 411 008

Postdoctoral Position

Applications are invited for postdoctoral positions in organic chemistry/medicinal chemistry (Dr D. Srinivasa Reddy's group) at NCL, Pune 411 008. The stipend will be Rs 20,000 p.m.

Applicants must have a Ph.D. in organic chemistry/medicinal chemistry with a strong background and experience in organic synthesis or medicinal chemistry.

These positions are available throughout the year in different government/non-government sponsored programmes. Interested candidates are requested to send an application, CV and summary of the research work carried out during Ph.D. by e-mail to ds.reddy@ncl.res.in or by post addressed to: **Dr D. S. Reddy, Organic Chemistry Division, National Chemical Laboratory, Dr Homi Bhabha Road, Pune 411 008. Please mention 'postdoctoral' in subject while sending an e-mail.**
