

CSIR

## Plan, manage and enable execution of S&T Innovations

**CSIR invites applications from outstanding professionals to join us  
as Scientist H/Outstanding Scientist in our Centre/Divisions/Unit of CSIR Headquarters**

Council of Scientific & Industrial Research (CSIR), established in 1942, is an autonomous Society with the Prime Minister of India as its President. An ensemble of 37 state-of-the-art National Laboratories/Institutes, 6 Units, 3 Innovation Complexes and 38 Centres, CSIR today is amongst the foremost and largest publicly funded scientific and industrial research organisations in the world. The expertise and experience of CSIR is embodied in its more than 4,600 scientists and 8,000 technical support personnel apart from about 8,000 JRF/SRF/RA and project staff. Over the years, it has played a pivotal role in the advancement of S&T, covering diverse domains. CSIR has spawned many organisations, many disciplines and most importantly has served as a nursery and training ground for most of India's distinguished scientists and technologists. It has ushered India into the knowledge economy, creating and nurturing talent in science, innovation and technology.

CSIR invites applications for the posts of Scientist H/Outstanding Scientist in HAG pay scale of ₹67,000–(annual increment @ 3%)–₹79,000 to participate in its mission:

**Human Resource Development Centre (HRDC), Ghaziabad:** Started in 2002, the centre promotes professional and holistic Human Resource Management for R&D support activities of CSIR. Spread over 56 acres, it conducts skill development, leadership pipeline development, orientation and refresher programmes round the year. The Centre is very well-equipped in forms of all HRM related facilities including a large residential facility. For more details, please visit <http://www.csirhrdc.res.in>

**Planning and Performance Division (PPD), CSIR Headquarters, New Delhi:** PPD plays a significant role in various activities related to strategic & perspective planning, support National/International research alliances, policy formulation for technology, and promotion of organisational business linkages.

**Innovation Protection Unit (IPU), New Delhi:** IPU plays a pivotal role in domestic and international filing of intellectual property like Patents, Designs, Trademarks, Copyrights, Plant variety etc. It also defines IP policies of CSIR and participates in various related aspects of Intellectual Property protection and management.

**Human Resource Development Group (HRDG), CSIR Complex, New Delhi:** HRDG majorly focuses on various activities at CSIR, like identifying and supporting young talent in scientific research, conducting the CSIR-NET Examinations, funding of extra mural research in universities, development and nurturing S&T manpower, promoting excellence in S&T through awards and honour.
