

Calling Entrepreneurs with INNOVATIVE Nanotechnology Ideas / Products for
BANGALORE INDIA NANO INNOVATION AWARD

@

Research • Industry • Academia

December 4 - 6, 2013 | The Lalit Ashok, Bangalore, India

Here is an excellent opportunity to recognize efforts of a Young and Dynamic Organisation / Individual with orbit-shifting and revolutionising nanotech innovation / idea. Please recommend the Individual name / Organization name TODAY! Format to send the entries is available on the www.bangaloreindianano.in For more details, please write to enquiry@bangaloreindianano.in

1st Bangalore India Nano Innovation Award was presented to **Dr. Rajesh Jain**, Panacea Biotec for his research on paclitaxel, which has targeted to provide the highest level of differentiation & treatment option at affordable cost for breast cancer.

2nd Bangalore India Nano Innovation Award was presented to **Prof. T. Pradeep**, IIT Madras Research for his research on Discovery of noble metal nanoparticle-based drinking water purification methods.

EVENT HIGHLIGHTS

- International Conference
- Pre-Conference Tutorials
- Research Industry Collaboration Hub (RICH)
- Nano Excellence Awards

- International Exhibition
- Poster - Walkway of Discovery
- InterlinX - The Partnering Tool
- Nano for the Young

Tutorial Sponsor

Silver Sponsors

AMITY INSTITUTE OF NANOTECHNOLOGY

KBITS

Supported By

Department of Science & Technology
 Nano Mission

Event Partner
