

## IGSTC: Call 2014

(Submission deadline 4 August 2014)

### Indo-German Science and Technology Centre (IGSTC)

a joint initiative of Government of India (DST) and Government of Germany (BMBF) to promote research partnership of industrial relevance

#### Invites

Pre-Proposals for joint R&D projects of industrial relevance in 2 + 2 mode of partnership in the thematic area:

#### Medical Technology including Diagnostic Tools

(proposals involving clinical trials/drug development cannot be considered)

#### 2 + 2 mode of Partnership

IGSTC intends to catalyse innovation centric R&D projects by synergizing the strength of research/academic institution and public/private industry from India and Germany. This call for proposal is aimed at supporting joint R&D projects of industrial relevance by means of '2 + 2 mode of partnership', i.e. involvement of at least one research/academic institute and one public/private industry from both the countries. Project proposal is expected to produce insight and exploitable research results leading to new technologies, products, processes, patents and/or services.

#### Funding Support

Funding will be provided in the form of grants amounting up to € 400,000 per project both partners from German side and up to Rs 230 lakh from Indian side together, for a period of up to three years, to cover project related costs including manpower.

#### How to apply

More details and Basic Guidelines can be downloaded from [www.igstc.org](http://www.igstc.org). The Pre-Proposal should be submitted online using PT-Outline (<https://www.pt-it.de/ptoutline/application/IGSTC14>) latest by **4 August 2014**.
