

Annamalai University

Annamalai Nagar 608 002

No. 1/AU/BRNS/2014

Date: 25 August 2014

Advertisement for the Post of JRF

Applications are invited for one position of Junior Research Fellow, in a research project entitled '**A study on the spatial distribution of uranium and its correlation to other water quality parameters in Pondicherry and north eastern region of Tamil Nadu (Villupuram, Cuddalore and Perambalur)**' at Department of Earth Sciences, Annamalai University. The project is funded by Board of Research in Nuclear Sciences (BRNS), Department of Atomic Energy, Government of India. The fellowship is coterminous with the project for two years with emoluments of Rs 16,000 p.m. along with applicable HRA.

Qualifications: The applicant should have qualification M.Sc. (Geology/Applied Geology/ Environmental Science). Candidates having GATE/NET qualification with interest to pursue Ph.D. will be preferred.

Applications with full bio-data should be sent to **Prof. S. Chidambaram**, Principal Investigator, BRNS Project, Department of Earth Sciences, Annamalai University (or) through e-mail to: chidambaram_s@rediffmail.com

Last date for receipt of application is **30 September 2014**.

Principal Investigator

PSG Institute of Advanced Studies Coimbatore

For a DBT-project titled '**Silkworm as a model for cytochrome P450 mediated pharmacological investigations**', we seek:

- (a) 1 Research Fellow (Rs 12,000 + HRA) and
- (b) 1 Project Assistant (Rs 8000).

For pertinent details, please visit the following links:

<http://www.psgias.ac.in/>

<http://www.ncbi.nlm.nih.gov/pubmed/?term=kelath+murali+manoj>

At the earliest, please contact the PI via e-mail, with brief CV/SOP (satyamjayatu@yahoo.com; kmm@ias.psgtech.ac.in).

We would intimate applicants about further recruitment process at Coimbatore (in 3rd or 4th week of September 2014). The selected candidate(s) may register for Ph.D. at Anna University or M.Phil. at Bharathiar University.

Institute of Nano Science and Technology

(An Autonomous Research Institute of the
Department of Science and Technology, Government of India)
Habitat Centre, Sector-64, Phase-10, Mohali 160 062, Punjab

No. 3(2)/2014-INST

Date: 31 August 2014

Recruitment

A unique opportunity for research careers in Nanoscience and Nanotechnology

Institute of Nano Science and Technology (INST) has been set up at Mohali in Punjab as an autonomous institution focusing on R&D of specific areas in Nano Science and Technology leading to new phenomena, processes, products and devices. INST has started its operations and invites persons with excellent credentials, having innovative mind and an inner urge to deliver, for 18 scientific positions.

For further details regarding qualifications, experience, age, general instructions, notes, applications proforma, etc., visit INST's website <http://www.inst.ac.in/careers.html>

Last date for receipt of applications is **15 October 2014**.
