

National Institute of Advanced Studies Bengaluru

Research Associate Position

The National Institute of Advanced Studies (NIAS), a multidisciplinary research institute located in Bengaluru, invites applications for the post of Research Associate, to work in a project related to the writing of a book on Grand Challenges in S&T.

Educational qualification and experience

Applicants should hold a Master's degree in applied science or engineering. Prior experience in the field of scientific publications, a strong grasp over English language and good spoken and written communication skills are essential. Interest in acquiring knowledge in broad spectrum engineering and technology topics, backed with good analytical skills and grasp of science and technology policy would be an added advantage. Applicants shall be familiar with the use of computer, with ability to search database and other applications.

Salary will be commensurate with qualification and experience and comparable to other premier institutions in the country.

Application

Applicants should submit their curriculum vitae electronically including the names and addresses of three referees, samples of published work, if any and a brief statement of interest explaining why they are interested in joining this programme at NIAS in one single PDF file. The applications should be addressed to:

The Head, Administration, National Institute of Advanced Studies, Bengaluru 560 012
e-mail: admin@nias.iisc.ernet.in

The deadline for applications is **30 June 2015**. Short-listed candidates will be invited to NIAS for a presentation and an interview.

Awards for University and College Teachers for Quality Research

Marathi Vidnyan Parishad is inviting nominations for '**Prof. Man Mohan Sharma Science & Technology Award**' to recognize a quality research carried out by teachers in universities and colleges from Maharashtra State. There are two awards each being of Rs One lakh. The areas of research include (but not restricted to) biological, chemical, physical, earth, atmospheric, ocean, planetary, medical, engineering, mathematical and agricultural sciences. Teaching faculty in a college affiliated to a state university in Maharashtra or department of a (state/private) university situated in Maharashtra (excluding those educational/research institutions or universities which receive their salary grants from the Central Government) with a teaching experience of minimum 10 years is eligible for receiving the award. Age limit for the awardees is 50 years for a university teacher and 55 years for a college teacher (as on 31st December 2014). Last date for receiving nominations is **15 July 2015**. The brochure and the form can be downloaded from: www.mavipamumbai.org

BITS Pilani, K K Birla Goa Campus Project Fellow Vacancy

Applications are invited for the position of a Project Fellow in a funded project titled '**Rheological dynamics of layered silicate clay and graphene polymer nanocomposites**' in the Department of Chemical Engineering. The appointment shall be on a contractual basis for a period of one year which may be further extended. Selected candidate may be permitted to register for Ph.D. programme at BITS Pilani, subject to meeting of the requirements laid down by the institute. The fellowship amount is equal to Rs 20,000 per month. **Eligibility criteria:** 1st class M.E./M.Tech. from a recognized university in Chemical Engineering, Chemical Technology, Petroleum Engineering, Polymer Engineering, Material Science and Engineering or other related fields.
