

**Indian Institute of Technology
Kharagpur
Sponsored Research and Industrial Consultancy**

Advertisement No. IIT/SRIC/R/ERN/2015/155

Date: 27 August 2015

Applications are invited for purely temporary posts of Junior Research Fellow (1 no.) in a purely temporary time bound research project entitled '**Dealing with the cancer of cervix: enhancing the efficacy of ionizing radiation with gold nanoparticle (ERN)**' under Dr Mahitosh Mandal, School of Medical Science and Technology, IIT Kharagpur.

Qualification: M.Tech. or B.Tech./M.Sc. in Biotechnology/Biochemistry/Genetic Engineering/Genetics/Microbiology/Molecular Biology with valid GATE/NET score.

Interested eligible persons may apply on a plain paper, giving full bio-data along with attested copies of testimonials to **The Administrative Officer (Projects)**, SRIC, IIT Kharagpur 721 302 **within 10 days** from the date of advertisement.

Details may be seen in the website: www.iitkqp.ernet.in (Temporary Assignments).

SERB School in Insect Biology

(7–21 December 2015)

Sponsored by SERB a statutory body of DST

University of Hyderabad will conduct the **SERB Sponsored School** for imparting training in basic and cutting edge areas in **Insect Biology**. Twenty young researchers (Ph.D. scholars, postdoctoral fellows or young faculty members) will be selected at an all India level. Exceptional candidates with a lower degree may also be considered. Faculty would be leading researchers in the related areas from different parts of the country. The school aims to provide interdisciplinary environment than traditional departments, to build long-term scientific human resource with sound technical base for teaching and research, and to initiate and strengthen research programmes in insect biology, relevant to current needs of Indian science. For those interested in insect biology, the school will offer a rare opportunity to learn directly from the leading practitioners in the field.
