Admission for Research Scholars

The National Institute of Animal Biotechnology (NIAB), Hyderabad, is a premier institute of Department of Biotechnology, Government of India, aimed to harness novel and emerging biotechnologies and take up research in the cutting edge areas for improving animal health and productivity.

The current research themes include: Infectious diseases, Reproductive biology, Animal genetics, and Genomics and Bioinformatics (the details are listed on our website www.niab.org.in).

We invite applications from highly motivated candidates, willing to take up challenges in modern biology, for admissions to our **Research Scholars Program** beginning January 2016. Keeping in view the interdisciplinary nature of modern biology, we especially encourage persons from diverse backgrounds to apply. Those admitted as Research Scholars would be encouraged to apply for the Ph.D. program of NIAB.
