

## Job Vacancies at Biotechnology and Bioresources Division The Energy and Resources Institute, IHC Complex, Lodhi Road, New Delhi

**About the division:** The Biotechnology and Bioresources Division at The Energy and Resources Institute (TERI) is a premier research centre in the field of biotechnology research in India. It has the state of art facility and expertise to develop biotechnology based sustainable solutions for agriculture, environment and energy right from the concept stage to the market.

### Vacancies at the division

#### 1. Regular position equivalent to Scientist B (Biochemistry) (One Post)

*Qualifications essential:* Doctoral degree in Biochemistry including relevant basic sciences and having made contribution to research/teaching in biochemistry as evidenced by published work/innovations and impact. Minimum two years' job experience is desirable.

#### 2. Regular position equivalent to Scientist B (Organic Chemistry) (One Post)

*Qualifications essential:* Doctoral degree in Organic Chemistry including relevant basic sciences and having made contribution to research/teaching in organic chemistry as evidenced by published work/innovations and impact. Minimum two years' job experience is desirable.

#### 3. Regular position equivalent to Scientist B (Bioprocess Engineer) (One Post)

*Qualifications essential:* Doctoral degree in Bioprocess Engineering including relevant basic sciences and having made contribution to research/teaching in bioprocess engineering as evidenced by published work/innovations and impact. Minimum two years' job experience is desirable.

#### 4. Regular position equivalent to Scientist B (Physics) (One Post)

*Qualifications essential:* Doctoral degree in Physics including relevant basic sciences and having made contribution to research/teaching in physics as evidenced by published work/innovations and impact. Minimum two years' experience job is desirable.

#### 5. HR Coordinator (One Post)

*Qualifications essential:* M.B.A. in Human Resource Development with Ph.D. in Science (any science stream). Minimum two years' job experience in HR is desirable.

#### 6. M.B.A (Two posts)

*Qualifications essential:* M.B.A. in Finance (One post) and M.B.A. in Marketing (One post). Minimum one year job experience is desired.

Applicants may send their detailed CVs electronically to **Ms Shilpa Mogha** (e-mail: [shilpa.mogha@teri.res.in](mailto:shilpa.mogha@teri.res.in)) on or before **15 March 2016**.

## Department of Earth Sciences, IIT Kanpur

Applications are invited for a training workshop on 'Modern river management and historic reconstruction with advanced fluvial remote sensing' conducted jointly by IIT Kanpur and Durham University, UK on 9–10 April 2016 at IIT Kanpur. The workshop will particularly focus on the processing of the CORONA images recently declassified by NASA including georectification, LULC classification and geomorphic mapping. The participants should send the registration form along with their CV latest by **28 February 2016** to **Prof. Rajiv Sinha**, Department of Earth Sciences, IIT Kanpur ([rsinha@iitk.ac.in](mailto:rsinha@iitk.ac.in)). For more details and registration form visit: <http://www.iitk.ac.in/es/data/Corona%20workshop%20brochure.pdf>

**NATIONAL AGRI-FOOD BIOTECHNOLOGY INSTITUTE**  
(Deptt. of Biotechnology, Ministry of Science & Technology, Govt. of India)  
C-127, Industrial Area, Phase VIII, S.A.S. Nagar, Mohali-160071. (PB)  
Website: [www.nabi.res.in](http://www.nabi.res.in), Tel: 0172-4990300, Telefax: 0172-4604888.

### Government of India Ministry of Science & Technology Department of Biotechnology

Applications/ Nominations are invited for the post of Executive Director  
National Agri-Food Biotechnology Institute, Mohali

National Agri-Food Biotechnology Institute (NABI) is an autonomous institute and a part of agri-food cluster in the "Knowledge City" of Mohali. The institute has a vision to be a nodal organization for knowledge generation and translational science leading to value added products based on agri-food biotech innovations.

**Pay Scale of the post:** Apex scale of Rs. 80,000/- (fixed).

Total approximate emolument will be Rs. 1,75,000/- per month plus other allowances/ benefits including a semi-furnished on-campus or leased accommodation, chauffeur driven government car, medical reimbursement, telephone expenses, newspaper and magazine allowance, children education allowance, Leave Travel Concession, New Pension Scheme contribution etc. as per Government of India rules.

**Essential Qualification:** PhD in food technology/ biochemical or bioprocess engineering or related field with 15 years research experience in the field of biotechnology, specifically for application in agriculture, food processing, nutrition and health having excellent track record, hand in research publications patents and awards.
