

Department of Earth Sciences, IIT Bombay, Powai, Mumbai 400 076

One Junior Research Fellow (Rs 25,000 p.m.) with M.Sc. degree in Geology is required for the BRNS project titled '**Structural study of mylonite and shear zone folds around Ukinal, Kanchankaayi and Gogi area and its correlation with Uranium mineralization along Gogi-Kurlagere fault of Bhima Basin, in Karnataka**' initially for one year, extendable for three years (Project No. 6(5)/14/06/2018/BRNS/36006; IRCC No. BRNS-000-001). Investigators: **Prof. T. K. Biswal** and **Prof. G. N. Jadhav**, Department of Earth Sciences, IIT Bombay, Powai, Mumbai 400 076, 98198 07067, tkbiswal@iitb.ac.in. Last date for application mentioning address, e-mail id, phone no., qualification (10th, 12th, B.Sc., M.Sc.), marks, division, GATE-CSIR-Research Experience with letter from research guide, photograph, is **15 July 2018**. As the candidate is required to do field work collecting structural data, he/she must have experience in structural geology related to folds, faults and shear zone in his/her M.Sc. dissertation. The candidate has to do ore and optical microscopy for Uranium mineral. Hence he/she should have studied about Uranium mineralization in M.Sc. class. The candidate is required to write one page note justifying his/her suitability for the project. Recommendation from M.Sc. supervisor is required along with application. Date of interview for short-listed candidate will be intimated by e-mail only.

G. D. Naidu Award – 2018 (Rs One lakh)

'Peoples Thinking Forum', a non-profitable public organization functioning at Erode, Tamil Nadu presents every year an award in the name of renowned native scientist from Coimbatore, G. D. Naidu, for an outstanding young researcher working in India.

Eligibility for the award: Anyone who has obtained a science degree in any of the institutions in Tamil Nadu and now working in any institution in India. He must be under 40 years of age.

A brief bio-data including a list of 10 top original publications in reputed international journals, awards received and such other information about his/her achievements in the field of work should be forwarded to the e-mail address given below. (The candidate should indicate for which work/distinction he is to be considered for the award with a brief note on this specific research work.)

A jury of eminent Scientists will make the selection.

The award will be presented during the **1st week of August** at the annual Book-fair at Erode which usually attracts more than 10,000 people.

This award is funded by 'Singapore Mustaba Tamil Trust' and is presented every year.

Last date for receiving applications is **20 July 2018**.

Karnatak University, Dharwad

Position available

Applications are invited from the eligible candidates for the position of Project Assistant in a project entitled '**Elucidation of neuroendocrine effects of urotensin I, melanin concentrating hormone, and α -MSH on pituitary-ovary axis in the fish *Oreochromis mossambicus***' funded by SERB-DST, Govt of India, New Delhi.

Essential qualification: First class M.Sc. in Zoology

Desirable: Specialization in Neuroendocrinology

Emolument: Rs 14,600 p.m.

Duration: Three years

The position is temporary and renewable each year subject to satisfactory performance for a maximum of three years. The position is co-terminus with the project. Only short-listed candidates will be called for an interview. No TA/DA will be paid for attending the interview.

The eligible candidates may submit their applications on a plain paper along with the biodata and copies of B.Sc. and M.Sc. marks cards by speed post/e-mail **within 12 days** of this notification to: **Dr C. B. Ganesh**, Principal Investigator (DST Project), Department of Studies in Zoology, Karnatak University, Dharwad 580 003, e-mail: ganeshcb23@gmail.com.
