

## INDRASHIL UNIVERSITY

(Established by an Act under the Gujarat Private Universities Act, 2009)  
"Sustained Excellence with Relevance"

### Admission to Ph. D. Program (Full-time or Part-time)

Indrashil University is a CSR initiative of Cadila Pharmaceuticals Ltd., actively involved in implementing social and philanthropic activities primarily in the fields of education and healthcare. The University is committed to realize its mission through excellence in teaching, research, high quality education and training for students and professionals in the Life Sciences and allied areas with an objective to prepare them as sector specialists in regional and global arena. The University is first of its kind institution dedicated to Life Sciences with focus on Academics, Research and Innovation.

#### School of Engineering | School of Sciences

Applications are invited from the Professionals working in Research Organizations, Academic Institutes, Industries and Students for Admissions to Ph. D. program in following disciplines:

#### Computer Sciences & Engineering | Mechanical Engineering Chemistry | Biosciences

- The University offers financial assistance in the name of fellowship
  - Up to first two years: Rs. 25,000/- per month as research fellowship
  - In the third year: Rs. 30,000/- per month as research fellowship
- Candidates having CSIR/UGC fellowship will get additional honorarium of Rs. 10,000/month and NET (lecture) qualified candidates will get fellowship as per GOI rule.

For details on selection process, eligibility and to fill online form visit [www.indrashiluniversity.edu.in](http://www.indrashiluniversity.edu.in)

Submit your application within a month from the date of publication of this advertisement to [yadavjanaki@gmail.com](mailto:yadavjanaki@gmail.com)

SNB/Advt./18-19/010

10 August 2018

#### 1st Call for Poster Presentation

An International Conference on 'Current Developments in Quantum Field Theory and Gravity' will be held from 3 to 7 December 2018 at S.N. Bose National Centre for Basic Sciences (SNBNCBS), Kolkata.

This is being organized by SNBNCBS with additional funding support from Indian Institute of Science Education and Research, Kolkata. The aim of this Conference is to bring people working in different areas of quantum field theory and gravity (including aspects of gauge/gravity duality) to share their expertise and current research. The Conference is also organized to commemorate the 125th birth anniversary of Prof. Satyendra Nath Bose – the originator of Bose–Einstein statistics. Anyone interested to participate and present posters please contact the Conveners at [qftg2018@bose.res.in](mailto:qftg2018@bose.res.in). Please see <http://newweb.bose.res.in/Conferences/QFTG18/> for further details.
