

Odisha Bigyan Academy

Nominations in the prescribed proforma are invited by the Odisha Bigyan Academy, Science and Technology Department, Government of Odisha, Bhubaneswar for the following Awards and Honours for the Award Year 2019 based on scientific contributions up to 31 December 2018.

- 1. Biju Patnaik Award for Scientific Excellence.**
(Minimum age limit of scientists should be 60 years by 31 December 2018)
- 2. Samanta Chandra Sekhar Award.**
(Upper age limit of scientists should not exceed 60 years as on 31 December 2018)
- 3. Odisha Young Scientists Award.**
(Upper age limit of Young Scientists should not exceed 35 years as on 31 December 2018)
- 4. Pranakrushna Parija Popular Science Book Award.**
(For Authors of popular science books in Odia)
- 5. Felicitations of Senior Scientists of Odisha.**

For detail guidelines and nomination proforma, please log on to Odisha Bigyan Academy website: www.odishabigyanacademy.nic.in

The nomination proforma can be downloaded from the above website and required copies duly filled-in as per guideline along with other particulars stated therein, are to be sent to **The Secretary**, Odisha Bigyan Academy in the following address.

The last date for receipt of nominations is **4 December 2019** (up to 5.00 p.m.). Nominations received after due date shall not be taken into consideration.

Secretary, Odisha Bigyan Academy,
B/2, Saheed Nagar, Bhubaneswar 751 007, Odisha, India

DST Centre of Excellence in Divecha Centre for Climate Change Indian Institute of Science

Announcement

Workshop on Climate Modelling 16 to 20 December 2019

The evolution of Earth's future climate is simulated by climate models. Hence it is important for scientists, engineers and policy makers to understand the uses and limitations of climate models to predict the future climate.

The DST Centre of Excellence in climate change at Divecha Centre for Climate Change, Indian Institute of Science will organize a workshop on climate modelling for students and faculty with science and engineering background to understand the present status of climate modelling. Some familiarity with computer programming and graphics is desirable. The lectures and tutorials will cover simple linear models, non-linear models and coupled atmosphere–ocean general circulation models.

The workshop will be held from 16 to 20 December 2019 at Divecha Centre for Climate Change. Those interested in attending this workshop should send an e-mail to jayes@iisc.ac.in expressing their interest and attach their bio-data and a short statement (less than 100 words) indicating how this workshop will benefit them. The last date for application is **25 November 2019**. The candidates will be intimated about their selection by **1 December 2019**. The candidates will be provided accommodation and local hospitality during the duration of the workshop but the cost of travel to Bengaluru will not be reimbursed.
