Call for the Position of ISRO Chair Professor at NIAS

The National Institute of Advanced Studies (NIAS), a visionary initiative by J. R. D. Tata, is a multidisciplinary research institute located in Bengaluru. Its mandate is to create leaders and original thinkers of substance and creditability for India, in varied domains and carry out policies, produce foresight and in-depth studies with multidisciplinary frameworks covering humanities, social sciences, education, culture, science, technology, consciousness studies, energy, environment, etc. Please visit our website for a comprehensive overview of the institute (www.nias.res.in).

NIAS, invites applications/nominations for the position of ISRO Chair Professor at the Institute, which has been instituted by the Indian Space Research Organization, Department of Space, Government of India.

The purpose of the ISRO Chair Professorship is to complement the ongoing efforts at NIAS in addressing the complex challenges facing India and global society.

The candidate should be a person of eminence and distinction from India or abroad and shall be aimed at enabling fruitful collaboration on a sustained basis between specialists in different disciplines and the NIAS faculty. The subjects could include (but not limited to) Science and Technology Policy, Space Law and Policy, Social Impacts of Space Technology, etc.

The duration of the Professorship could range from 1 to 5 years. Nominations must include a summary of the nominee's work, a list of the most important publications, and the work of the nominee would like to carry out during the period he or she occupies the ISRO Chair Professorship.

Nominations should be addressed to **The Head-Administration**, National Institute of Advanced Studies, Bengaluru 560 012 and sent electronically to admin@nias.res.in.

The last date for receiving applications is **30 September 2020**.
