

Madurai Kamaraj University

Madurai 625 021, Tamil Nadu

University with Potential for Excellence

(Re-accredited by NAAC with 'A++' Grade in the 4th Cycle)

School of Biological Sciences UGC-Networking Resource Centre in Biological Sciences (Phase II)

The Centre is inviting applications for the following Programmes of UGC-Networking Resource Centre in Biological Sciences, Madurai Kamaraj University:

- Internship programme for Post Graduate students
- Visiting Fellowship programme for Ph.D. Research Scholars
- Summer School on Research Methodology

Internship programme for Post Graduate students

The Centre invites applications from Post Graduate students (from various disciplines of life sciences) who are in the final year of Indian Universities/Colleges/Research Institutes for the forthcoming '75th Suthanthira Thirunaal Amudha Peruvizha' Internship programme. The participants can conduct whole/part of their PG project in the Networking centre and the outcome of the results may be published with joint authorship with the mentor of NRCBS. Interested candidates are requested to fill and submit the 'Registration form' (<https://forms.gle/DPXExxyjWr32eqRKA>) on or before **16 February 2022**. Period of the programme is from March to May 2022.

Visiting Fellowship programme for Ph.D. Research Scholars

The Centre invites applications from Research Scholars (various disciplines of life sciences from Indian Universities/Colleges/Research Institutes) for the forthcoming 'Visiting Fellowship Programme for Research Scholars'. The participants can conduct part of their Ph.D. research program in the Networking Centre. The programme will be research oriented rather than techniques oriented and emphasis will be given to complete a part of their research programme. Outcome of the results may be published with joint authorship with the mentor of NRCBS. Interested candidates are requested to fill and submit the 'Registration form' (<https://forms.gle/nX74vaYnEChn33tg9>) on or before **23 February 2022**. Period of the programme is from March to May 2022.

Summer School on Research Methodology

The Centre invites applications from Research Scholars, Post-docs, Young Faculty Members and Scientists (from various disciplines of Life Sciences) of Indian Universities/Colleges/Research Institutes for the forthcoming 'Summer School on Research Methodology'. The programme will be methodologies oriented and emphasis on demonstration of instruments, hands on training in biostatistics using SPSS statistical software and class room lectures. The participants will carry out the guided exercises individually or as a group. In addition, lectures from the experts/scientists will be organized on current trends in the selected area. Interested candidates are requested to fill and submit the 'Registration form' (<https://forms.gle/gXZFNypMbnMW34NT7>) on or before **20 February 2022**. Period of the programme is from 7 to 20 March 2022.
