

SOMAIYA
VIDYAVIHAR UNIVERSITY

Established in 1959, Somaia Vidyavihar has a rich experience of over six decades in building & managing educational institutions and imparting education to students from all over the world. Nestled in a vast 65-acre green campus located in the heart of Mumbai city, the group is now a multi-disciplinary education institution catering to 39,000+ students in diverse fields of education.

With the establishment of Somaia Vidyavihar University in 2019, students can now explore multi-disciplinary learning opportunities through the 'major-minor' combinations available. We bring you an opportunity to interact with a large pool of the global alumni network.

At Somaia Vidyavihar University, you have the freedom of possibilities to accelerate excellence, pursue your passion, and above all, discover yourself.
