**Advertisement for Post of JRF**

Applications are invited from Indian nationals for one post of Junior Research Fellow (JRF) with consolidated salary @ Rs 37,000 p.m. plus HRA. The selected candidate may get an opportunity to register for the Ph.D. programme of IIT(BHU) subject to fulfillment of the norms of IIT(BHU). The candidate will work in a BRNS, Department of Atomic Energy, Govt of India sponsored research project entitled '**Graphite Aerosol Studies in High Temperature Aerosol Facility for Nuclear Reactor Applications**'. The post is purely temporary and coterminous with project.

**Essential qualification:** B.Tech. or equivalent degree in Mechanical/Chemical Engineering/Chemical Technology/ Allied areas with valid GATE score in Mechanical/Chemical Engineering. The candidate should have a minimum of 75% marks or 7.5 CPI (on a 10.0 scale) at the Bachelor's degree level.

OR

M.Tech. or equivalent degree in Mechanical Engineering/Chemical Engineering/Chemical Technology/Allied areas with GATE score in Mechanical Engineering/Chemical Engineering. The candidate should have a minimum of 60% marks or 6.0 CPI (on a 10.0 scale) at the Master's degree level.

OR

Master's degree in Physics/Chemistry/Industrial Chemistry/Environmental Science with NET/GATE or any National-level scholarship. The candidate should have a minimum of 65% marks or 6.5 CPI (on a 10.0 point scale) at the Master's degree level and a minimum of 60% marks or 6.0 CPI (on a 10.0 point scale) at the Bachelor's degree level.

The candidate should have studied Mathematics at the 10 + 2 level.

**Age:** Upper age limit – 28 years (5 years relaxation for female/SC/ST/Physically challenged).

Hard copy of typed application on plain paper with detailed CV along with self-attested copies of all mark sheets and certificates should reach **within 21 days** of advertisement to **Prof. P. Shukla** (Project Investigator), Department of Mechanical Engineering, Indian Institute of Technology (BHU), Varanasi 221 005, Mobile: +91-94525 63956. Candidates should also e-mail their applications to [pshukla.mec@iitbhu.ac.in](mailto:pshukla.mec@iitbhu.ac.in).

Note: No TA/DA will be paid if called for interview.

**7th International MIT Conference in  
Recent Trends in Bioengineering  
(ICRTB – 2024)**

Original research articles and posters are invited from students in their graduate/postgraduate courses, research scholars, and faculties from various universities, industry personnel and medical practitioners for the conference at MIT-School of Bioengineering Sciences and Research, MIT-Art, Design and Technology University, Pune.

Selected peer-reviewed papers will be considered for publication. Talks by renowned speakers from industry, academia and the medical fraternity.

**Conference Theme – Bioengineering Solutions for Health and Environment**

**Conference theme areas:** • Biosensors • Drug delivery systems • Bio-material for clinical diagnostics environment monitoring • Bio-inspired materials • Medical Robotics • Bio materials • Biofertilizers and Biopesticides • Biomedical imaging • Bioremediation • Medical wearable devices and Diagnostics • Bioinformatics.

**Date:** 19–20 January 2024.

**Why participate?**

- ICRTB offers a platform for all researchers in the field of Bioengineering Research to exchange their ideas and form research partnerships.
- Interact with leading experts in Bioengineering research and technology.
- ICRTB offers you the possibility of networking with your peers, customers and consultants to forge new partnerships.

**Venue:** MIT-Art, Design and Technology University, Pune University, Rajbaug Campus, Next to Hadapsar, Pune Solapur Highway, Loni Kalbhor, Pune 412 201.

Register and submit the abstract/full paper at: <https://www.mitbio.edu.in/icrtb/registration>

All queries need to be mailed to [icrtb@mituniversity.edu.in](mailto:icrtb@mituniversity.edu.in)
