ANNOUNCEMENT

INDIAN SOCIETY OF DEVELOPMENTAL BIOLOGISTS SWAMI PRANAVANAND SCIENCE AWARD

The society invites nominations from individuals/institutions for the Swami Pranavanand Science Award for Developmental Biology for the year 1987. The award is to be given to a senior scientist and carries a sum of Rs. 3000/- and a citation. Nominees should have made outstanding contributions to Developmental Biology in India. The awardee will be requested to deliver an oration during the next symposium of the society. The earlier recipients of the award are Professors Leela

Mulherkar and Sivatosh Mookerjee.

Nominations should be accompanied with five typed copies of the statement of contributions made by the Scientist, one set of reprints of published papers and the consent of the Scientist. The nomination should reach Dr Suresh C. Goel, Secretary, Indian Society of Developmental Biologists, Department of Zoology, University of Poona, Poona 411 007 on or before April 18, 1987.
