

INDIAN INSTITUTE OF CHEMICAL BIOLOGY

4, Raja S. C. Mullick Road
Calcutta 700 032

ADVERTISEMENT NO. 1/96

Applications are invited for the undermentioned posts for Indian Institute of Chemical Biology, Jadavpur, Calcutta 700 032.

1. SCIENTIST, GR. IV(3): 2 (two) posts

Rs 3700-125-4700-150-5000/- (Total emoluments Rs 11,005/- in the initial of the grade).

QUALIFICATION & JOB REQUIREMENTS

POST NO. (i) (PROTEIN ENGINEERING):

Applicants must have a Ph D degree and outstanding scientific records in the area of structure-function analysis of proteins and protein engineering. Expertise in peptide synthesis and sequencing is desirable. The applicants would be expected to develop independent and extramurally funded research programme.

POST NO. (ii) (HUMAN GENETICS):

Applicants must have a Ph D degree and outstanding scientific records in the area of human genetics/genetic epidemiology and sound knowledge of linkage and association analysis. The applicants would be expected to develop independent and extramurally funded research programme.

AGE LIMIT: 40 years as on 31 October 1996, relaxable for exceptionally meritorious candidates.

Further information can be had from the Director, Indian Institute of Chemical Biology, 4, Raja S. C. Mullick Road, Jadavpur, Calcutta 700 032.

INDIAN ACADEMY OF SCIENCES

Discussion Meeting on Instability and Transition in Fluid Flows

22-25 November 1996 – Orange County, Coorg District, Karnataka

This discussion meeting is intended to get together Indian scientists active in the area to discuss current research as well as possible future directions, and to encourage formulation of any joint projects that might be of interest to them. Speakers at the meeting will include Indian scientists pursuing research in stability and transition as well as some visitors from abroad, including Dr Jitesh Gajjar (University of Manchester), Prof. Michael Gaster (Queen Mary & Westfield College, London) and Prof. K. R. Sreenivasan (Yale University). A small number of places in the meeting will be available for students, university faculty and other scientists either working in the area or seriously intending to do so. If you are interested in attending the meeting, please send a copy of your bio-data with a brief statement of interest to

Prof. Roddam Narasimha
Centre for Atmospheric Sciences
Indian Institute of Science
Bangalore 560 012
(Fax: 080-334 1683, e-mail: roddam@cas.iisc.ernet.in).

Participants will be required to be present in Bangalore before the evening of 21 November 1996 and will be brought back to Bangalore on the evening of 25 November. Arrangements for transport to and accommodation at the venue of the meeting will be taken care of by the Indian Academy of Sciences.
