### ***Contact Programme on Field Studies of Deformation Tectonics for Young Scientists***

Department of Science & Technology, Govt of India has been organizing Contact Programme for Young Scientists over the past several years, with the idea to bring young scientists in contact with eminent scientists in relevant fields, train them in frontline areas, and expose them to major national laboratories and field studies. The next programme in Earth Sciences is planned at Wadia Institute of Himalayan Geology, Dehra Dun from 21 March 1997 to 30 April 1997. The planned programme will focus on field studies of structure metamorphism and neotectonics. Applications for participation in the Programme are invited from candidates who have just completed M Sc (Geology) or who have just started their M Phil/Ph D (Geology). The selected candidates will be paid second class train fare and reservation charges from their place of residence to Dehra Dun and back.

Apply on a plain paper affixing a recent passport size photograph and mentioning the following:

1. Name
2. Date of birth
3. Academic record (starting from Inter/HSC) with year, Percentage of marks obtained, Board/University
4. Present status
5. Any other matter in support of your candidature.

The applications addressed to Dr M. I. Bhat, Wadia Institute of Himalayan Geology, Dehra Dun must reach on or before 31 January 1997.
