

*Nominations are invited for*  
**WINTER SCHOOL ON 'ATOMIC FORCE MICROSCOPY'**

*Sponsored by*  
**Department of Science & Technology**  
**Govt of India, New Delhi**

Under Science & Engineering Research Council Scheme for Young Scientists (SERCYS)

- Objective** : To expose younger scientists through lectures and demonstrations with latest techniques of force microscopy for imaging of technological/biological surfaces
- Time Schedule** : 13 February 1997 to 18 February 1997
- Participants** : A maximum of twenty (20) participants selected out of the nominated candidates from various National Labs/Universities, IITs, RSICs, etc.
- Organizing Institute** : Central Scientific Instruments Organization, Chandigarh
- Venue** : Central Scientific Instruments Organization, Sector 30, Chandigarh 160 020
- Eligibility**
- Age* : Less than 35 years
- Academic Qualifications* : Minimum M Sc/M Tech (Please attach a copy of the Bio-data)
- Nature of work/job* : Engaged in R&D/characterization of technological/biological surfaces. (one page write-up concerning nature of work being done by the participants should accompany the nomination)
- Assistance from Organizer/Sponsors** : Travel charges as per DST rules will be reimbursed.  
Free boarding/lodging
- Last date for receiving the nominations** : 25 January 1997

**Contact/correspondence address:**

Dr S. S. Wadhwa  
Head, Micropositioning Systems Division,  
Central Scientific Instruments Organization,  
Sector 30, Chandigarh 160 020
