

## ANDHRA UNIVERSITY VISAKHAPATNAM

### *Senior Research Fellow in Geology Department (DAE-funded Project)*

Applications are invited from candidates having M Sc/M Sc(Tech) Geology for a Senior Research Fellow to work in a DAE-funded Project entitled "Geological Radiometric and geochemical studies along and across the contacts of Archaean and Mesozoic Gondwana Formations of Chintalapudi sub basin of Khammam and West Godavari Districts of Andhra Pradesh".

The project duration is 3 years. Candidates should have a minimum of two years research experience to be considered for Senior Research Fellow. Candidates without the required experience can also apply. They will be considered along with others for a JRF, if suitable applicants for the SRF are not available. The initial emoluments are Rs 2,800/- p.m. for SRF/or JRF Rs 2,500/- p.m. HRA will be given as per the norms.

Candidates should apply on plain paper giving biodata including educational qualifications and experience. Candidates will have to appear at an interview at Andhra University, Visakhapatnam at their own expenses. The date and time of interview will be intimated individually to the applicants under certificate of posting.

The candidates are to send their applications to Prof. T. Ramamohana Rao, Principal Investigator, DAE Project, Department of Geology, Andhra University, Visakhapatnam 530 003 to reach him on or before 25 August 1997.
