

# INDIAN INSTITUTE OF SCIENCE

BANGALORE 560 012

**Faculty Positions** at the level of **Assistant Professor** are open to Indian citizens at the Centre for Theoretical Studies in areas of theoretical high energy physics and phenomenology, quantum field theory, string theory, mathematical physics, interface areas between particle physics and nuclear physics/astrophysics. The present faculty of the Centre consists of N. Mukunda, J. Pasupathy, R. Godbole, D. Sen, A. Patel, G. Rangarajan, S. Jain and B. Ananthanarayan.

Applicants should have Ph D with First Class in the preceding degree, 3 years of post-doctoral experience (relaxable in exceptional cases) and an outstanding research record, potential for independent research and academic leadership. The total emoluments at the minimum of the scale of Rs 3700-125-4950-150-5700 (likely to be revised) are around Rs 1,32,000 per annum. Applicants may send curriculum vitae with a list of publications, important reprints, research plan for future work and names of at least three referees with their address including Fax and E-mail address to **Prof S. V. Subramanyam, Chairman, Division of Mathematical & Physical Sciences, Indian Institute of Science, Bangalore 560 012, India** within 2 months of this advertisement. The referees may be requested to send their assessment of the applicant directly to **Prof. Subramanyam (e-mail: [dcphy@admin.iisc.ernet.in](mailto:dcphy@admin.iisc.ernet.in) or fax: 091-080-3341683/3342085)**. Candidates are welcome to visit CTS home page URL <http://ctshp.iisc.ernet.in> and contact the Chairperson of CTS for further information.

Applications are invited from Indian nationals preferably below the age of 35 years, for **Faculty Positions** at the level of **Assistant Professor** in the Department of Physics. The candidates should have (i) Ph D degree and (ii) three years (relaxable in exceptional cases) of post-doctoral experience in the broad areas of experimental or theoretical condensed matter physics. The department has major research strength over a broad range in condensed matter physics, and seeks to augment it further. The total emoluments at the minimum of the scale of Rs 3700-125-4950-150-5700 (likely to be revised) are around Rs 1,32,000 per annum. Candidates are requested to send their curriculum vitae with a list of publications, important reprints, a short description of the research activity they would like to pursue in case they are selected and names of at least three referees with their address including Fax and E-mail address to **Prof. S. V. Subramanyam, Chairman, Division of Mathematical and Physical Sciences, Indian Institute of Science, Bangalore 560 012, India** within 2 months of this advertisement. The referees may be requested to send their assessment directly to **Prof Subramanyam (e-mail: [dcphy@admin.iisc.ernet.in](mailto:dcphy@admin.iisc.ernet.in) or fax : 091-80-3341683/3342085)**. For further information please contact Chairman, Department of Physics (e-mail: [chairman@physics.iisc.ernet.in](mailto:chairman@physics.iisc.ernet.in)) or visit the home page URL <http://physics.iisc.ernet.in>.
