

# **RESEARCHERS IN SCIENCE AND TECHNOLOGY**

**A UNIQUE OPPORTUNITY  
TO GET YOUR RESEARCH WORK  
WORLD-WIDE PUBLICITY**

**AN OFFER FROM  
DEPARTMENT OF SCIENCE &  
TECHNOLOGY**

DST is developing a National Inventory of R&D Projects currently in progress in S&T institutions in the country. INSDOC has been assigned the project of compiling the information and developing a database.

The database will

- Highlight the Status of S&T research and emerging pattern of research in the country.
- Provide Roster of S&T experts in the country.
- Be available on-line on national networks.
- Enable you to network with fellow Researches.

Certainly you would like to be a part of this National Endeavour!

*For details and Data Entry Form please contact:*
