

THE INSTITUTE OF MATHEMATICAL SCIENCES, CHENNAI

IMSc Associateships for University Teachers

The Institute of Mathematical Sciences, Chennai announces short-term fellowships in **theoretical physics, mathematics and theoretical computer science** for teachers from colleges and universities to visit and work at the Institute. This programme is envisaged to help develop a collaborative interaction between the Institute and scientists in the university system. Under this programme, an Associate can visit the Institute once or twice in a year up to a total stay of 90 days per year, each visit not less than three weeks. Tenure of the Associateship will be for a period of three years. Each Associate should make at least two visits in this period. A per diem to cover the local expenses during the stay at Chennai and travel expenses between the place of work and Chennai will be borne by the Institute of Mathematical Sciences. During their stay at the Institute, the Associates will be provided accommodation in the Institute Guest House.

Any teacher from the universities (including institutions like the IITs) who wishes to be considered for such a visiting fellowship is encouraged to write to the **Director, The Institute of Mathematical Sciences, C.I.T. Campus, Taramani, Chennai 600 113** with a copy of curriculum vitae including a complete list of research publications and a brief outline of the proposed research plans to be pursued at the Institute of Mathematical Sciences. Associateship invitations for this year will be finalized during **September 1998**.

INDIAN INSTITUTE OF SCIENCE BANGALORE 560 012

Applications are invited from Indian nationals preferably below the age of 35 years for the post of **Senior Scientific Officer** in the Bioinformatics Centre. The candidates should have proven competence in biological, molecular modelling and bioinformatics and Ph.D. degree with 5 years post doctoral experience (relaxable in exceptional cases). The selected candidate is expected to provide service related to bioinformatics, computer graphics, biocomputing and molecular modelling, in addition to carrying out research and development activities. The total emoluments at the minimum of scale of Rs 3700-125-4950-150-5700 (the scale is under upward revision) are around Rs 1,32,000/- per annum. Interested persons should send their curriculum vitae, list of publications, important reprints, and names of at least three referees with their full address including Fax and e-mail address directly to **Prof. M. Vijayan, Chairman, Division of Biological Sciences, Indian Institute of Science, Bangalore 560 012, India**, within 45 days of the appearance of this advertisement (e-mail: dcbio@admin.iisc.ernet.in OR Fax: 91-80-3340416).

For further details candidates may contact Prof. S. Ramkumar, Chairman, Bioinformatics Centre, e-mail: bioinf@physics.iisc.ernet.in
