JOINT RESEARCH PROJECTS UNDER INDO-EGYPTIAN S&T COOPERATION

Department of Science and Technology, Government of India and the Ministry of Scientific Research, Government of Egypt, jointly, invite applications from scientists and researchers for support under Indo-Egyptian Agreement on Cooperation in Science and Technology for developing and implementing joint research projects in specific areas of Biotechnology (including Genetic engineering); Oceanography (including Fisheries); Petroleum Technology and Metallurgy. Cooperation could, however, be undertaken in other S&T areas, as and when required, with mutual consultation with the coordinating agencies. The proposals are required to have the endorsement of both Indian and Egyptian coordinators. The financial support would be provided in terms of international fare and local hospitality to the scientists, as per the terms agreed upon between India and Egypt.

Application forms along with guidelines may be obtained from:
