

POSTDOCTORAL RESEARCH PROGRAMME IN LIFE SCIENCES AND BIOTECHNOLOGY

Indian Institute of Science, Bangalore 560 012

(A programme sponsored by the Department of Biotechnology, Government of India)

Several Postdoctoral Research Associateships are available for bright young scientists to work in the frontier areas of modern biology at different departments of the Division of Biological Sciences of the Institute. The Associateship is purely temporary and is tenable for a maximum period of 2 years starting from 15 April 1999. The award is given initially for a period of one year and it is renewable for the second year on satisfactory performance.

Candidates holding Ph D degree in any branches of Life Sciences/Chemistry/Physics or M D and a uniformly good academic record are eligible for selection. Also candidates who have already submitted the Ph D thesis but awaiting the formal award of the degree are eligible to apply, but they will be appointed as Research Associates (Provisional) till they obtain the degree. Minimum consolidated emoluments for Research Associates will vary from Rs 8400 to Rs 10,400/month. Single room accommodation will be provided in the hostel for the selected candidates.

Candidates may apply on plain paper with biodata, list of publications (include copies of reprints of important papers), copies of certificates (B Sc, M Sc & Ph D), one-page synopsis of Ph D thesis, 2 letters of recommendation (academic) and a declaration by the candidate stating that if selected for the Associateship, he/she will complete 2-year tenure of the programme. **The interviews for the Associateship will be held at IISc, Bangalore, by the first week of April 1999.**

Applications should be addressed to **Prof. K. Muniyappa, Department of Biochemistry, Indian Institute of Science, Bangalore 560 012**, to reach him before 20 March 1999, and should be clearly marked on the envelope as **DBT Postdoctoral Associateship**.

INDIAN INSTITUTE OF TECHNOLOGY, KHARAGPUR

Applications are invited for the position of a Junior Research Fellow in a CSIR-sponsored research project entitled 'Structure, properties, reactivity and dynamics: A quantum potential approach' undertaken by Dr P. K. Chattaraj, Department of Chemistry of this Institute. The selected candidate may enrol for the Ph D degree of IIT Kharagpur.

Required qualifications: M Sc in Physics/Chemistry with NET/GATE. Candidates, having some knowledge in computation will get preference.

Monthly fellowship: Rs 5000/- (consolidated).

Candidates who possess the above-mentioned qualifications should send their applications along with the bio-data and copies of testimonials on or before **15 April 1999 to the Deputy Registrar, SRIC, Indian Institute of Technology, Kharagpur 721 302.**
