

Anna University

CHENNAI 600 025

Applications are invited for the following posts in the Department of Physics and Department of Chemistry for carrying out the Research Project sponsored by the Board of Research in Nuclear Science (BRNS), Mumbai.

I

Title of the project : Investigations of photodynamic therapy of cancer in animal models
Post : One SRF/JRF
Duration : 3 years
SRF position : Two years research experience in Photobiology or Radiobiology
Qualification : M.Sc. Physics/Biophysics/Medical Physics/Biochemistry
Stipend : Rs 5000 per month in the first and second year and Rs 5600 in the third year

Application with biodata should reach **Dr S. Ganesan, Department of Physics, Anna University, Chennai 600 025** within 15 days from the date of this advertisement.

II

Title of the project : Synthesis, characterization and catalytic activity of mesoporous aluminophosphate-based molecular sieves
Post : One JRF
Duration : 3 years
Qualification : M.Sc. Applied Chemistry/Chemistry
Stipend : Rs 5000 per month in the first and second year and Rs 5600 in the third year

Application with biodata and other enclosures should reach **Dr V. Murugesan, Department of Chemistry, Anna University, Chennai 600 025** within 15 days from the date of this advertisement.

NOTE: No TA/DA will be paid for attending the interview.
