

**Division of Agricultural Chemicals
(NATP Project on Environment Friendly Pesticides)
Indian Agricultural Research Institute, New Delhi 110 012**

Date: 4 October 1999

Applications are invited for the position of three Senior Research Fellows in Chemistry and one Senior Research Fellow in Entomology under the NATP Project 'Environment Friendly Pesticides: Development of Standard and Stable Products from Neem and other Plants'. The positions are purely temporary and will be filled up on financial year basis and will end up coinciding with the tenure of the Project without any further obligation/liability of the Division/Institute/Council.

1. Senior Research Fellow (Chemistry): Three posts

Qualifications: *Essential:* M.Sc. (Agricultural Chemicals/Agricultural Chemistry/Organic Chemistry). *Desirable:* Research experience in chemistry of natural products/botanical pesticides.

2. Senior Research Fellow (Entomology): One post

Qualifications: *Essential:* M.Sc. (Entomology/Zoology with specialization in entomology). *Desirable:* Research experience in insect toxicology including insect rearing, and bioassay of natural pesticides.

Age: Below 30 years as on 1 August 1999 (relaxable to SC/ST and other exempted categories to the extent permissible under the rules).

Pay: Rs 5600 (consolidated) + HRA (30%) as admissible under the rules.

Interested candidates may apply furnishing name, age, qualifications, experience, etc. duly supported by copies of certificates/testimonials to the undersigned on or before 1 November 1999. Eligible candidates are required to appear for an interview along with original certificates and testimonials. No TA/DA will be paid for attending the interview. The selected candidates with M.Sc. degrees will have the option to register for Ph.D. degree in any university.
