

**Department of Chemistry**  
**Indian Institute of Technology Kanpur**  
**Kanpur 208 016**

Applications are invited for the position of a Project Associate (JRF) to work on a DAE sponsored research project, entitled: "**Conformational Studies of Molecular Cations by Pulsed Field Ionization (ZEKE) Laser-Photoelectron Spectroscopy**", under the supervision of Dr T. Chakraborty.

*Qualification:* M.Sc. in Chemistry/Physics and must be GATE/UGC/CSIR qualified.  
Consolidated salary will be Rs 5000/- per month.

Applications on plain paper along with complete bio-data should reach Dr T. Chakraborty, Department of Chemistry, IIT Kanpur within 30 days.

**Anna University**  
**Chennai 600 025**

Applications are invited for the post of Junior Research Fellow to work on the DAE(NBHM)-sponsored project entitled **Integrability Aspects of Nonlinear Differential – Difference Equations**.

*Qualification* : First Class M.Sc. in Mathematics/Physics with GATE/NET qualification.

*Fellowship* : Rs 5000 + HRA (for first two years)  
Rs 5600 + HRA (for third year)

*Age* : 28 years

Duration of the project: 3 years.

Application with biodata and attested copies of marksheets, along with date of birth on plain paper should be sent to Dr K. Porsezian, Centre for Laser Technology, Department of Physics, Anna University, Chennai 600 025 within 15 days of publication of this advertisement.

No TA/DA will be paid for attending the interview.
