### POSTDOCTORAL RESEARCH FELLOWSHIP BIOPHYSICS

A postdoctoral position is open at the laboratory of pharmacology and physico-chemistry of cellular and molecular interactions, UMR 7034 CNRS, School of Pharmacy, Université Louis Pasteur, Strasbourg, France.

We are looking for an experienced biophysicist, physicist or physico-chemist to join our team investigating the molecular interactions of the HIV-1 nucleocapsid protein with nucleic acids. The project will essentially involve time-resolved fluorescence and fluorescence correlation spectroscopy measurements. Applicants should have some experience in spectroscopy. Basic knowledge in biology would be appreciated. Applicants should be less than 35 and start their research work in our laboratory as soon as possible.

The position can be filled by only an Indian student and is initially open for six months but may be easily extended to 18 months. The salary will be about 12,000 FF per month.

Application, including CV and list of publications should be sent to Prof. Yves MELY, UMR 7034 CNRS, Faculté de Pharmacie, 74 route du Rhin, 67401 ILLKIRCH, FRANCE. Telephone: 33-3-88-67-69-28. Fax: 33-3-88-67-40-11. E-mail: mely@pharma.u-strasbg.fr.
