

## MYCOLOGICAL SOCIETY OF INDIA

The Mycological Society of India (MSI) solicits mycologists to join the fraternity.

- The MSI was founded in January 1973 with a view to bring together mycologists of the country and with the broad objective of promoting the development of mycology in India in all its aspects and in the widest perspective.
- The transactions of the society are published in the form of the journal 'Kavaka' (Sanskrit for fungus).
- Papers in all fields of mycology are published after peer-reviewing.
- No membership fees are required for publication of papers.
- Manuscripts for publication and books for review should be sent to: Prof. K. Natarajan, Editor of Kavaka, Mycological Society of India, Centre for Advanced Studies in Botany, University of Madras, Guindy Campus, Chennai 600 025.
- Annual subscription for members is Rs 100/- in India and UK Sterling 10/- or US \$20/-. MSI members will get free copies of the journal 'Kavaka' and 'Kavaka Varta', the MSI Newsletter. Subscriptions are to be sent to Prof. D. J. Bhat, Treasurer, MSI, Department of Botany, Goa University, Taleigao Plateau, Goa 403 206.
- All general correspondence should be addressed to Dr. S. Raghu Kumar, Secretary, MSI, Biological Oceanography Division, National Institute of Oceanography, Dona Paula, Goa 403 004.
- The present office bearers are: *President:* Prof. Indira Kalyanasundaram, Chennai. *Vice-Presidents:* Prof. H. C. Dube, Bhavnagar and Prof. C. V. Subramanian, Thailand. *Secretary:* Dr. S. Raghu Kumar, Goa. *Treasurer:* Prof. D. J. Bhat, Goa. *Members of the Editorial Board:* Dr. A. K. Sarbhoy, Delhi; Prof. T. S. Suryanarayana, Chennai; Prof. T. N. Lakharpal, Himachal Pradesh; Dr. C. Rajendran, Delhi. *Members of the Council:* Dr. K. R. Aneja, Kurukshetra; Dr. Kamal, Gorakhpur, Prof. S. B. Sullia, Bangalore; Prof. R. Balasubramanian, Chennai; Dr. G. Bagyanarayana, Hyderabad; Dr. R. G. Bagool, Dombivli; Prof. S. S. Rajak, Jabalpur; Dr. J. G. Vaidya, Pune and Dr. T. Satyanarayana, Delhi.

## Department of Chemical Technology (UDCT) University of Mumbai

Applications are invited for Junior Research Fellowships (JRFs) to work on a Board of Research in Nuclear Sciences (BRNS) project on Preservation of Semi-Processed and Minimally Processed Food Products by Radiation Processing Using Hurdle Technology. The duration of the project is three years. Candidates must have a master's degree in Food Technology or Biochemistry from a reputed university and must have very good academic record. Any experience in working with food preservation or processing, enzyme and microbial analysis, nutrients determination would be desirable. Apply within 15 days of publication of this issue giving details of qualifications, experience, names of two references, etc. to Director, Department of Chemical Technology, University of Mumbai, N. M. Parekh Marg, Matunga, Mumbai 400 019.
