

UNIVERSITY OF PUNE

Applications are invited for the following temporary posts to work on Department of Atomic Energy sponsored project "Optical properties of semiconductor quantum dots".

1. Junior Research Fellow:

Qualifications : M.Sc. (Physics, Electronics Science), I class/Higher II class, NET/SET qualified

Fellowship : Rs 5000 p.m. + H.R.A. as admissible.

Duration : 1 year (likely to be renewed for 3 years).

2. Senior Research Fellow:

Qualifications : M.Sc. (Physics, Electronics Science), I class/Higher II class with two years research experience in the field of Nanostructure Physics/Spectroscopy/Optical Instrumentation.

Fellowship : Rs 5600 p.m. + H.R.A. as admissible.

Duration : 1 year (likely to be renewed for 2 years).

Applications with biodata, and attested true copies of mark sheets on plain paper must reach Dr Shailaja Mahamuni (Department of Physics, University of Pune, Pune 411 007) within ten days of publication of this advertisement in *Current Science*. It may be noted that no T.A./D.A. will be given for attending the interview.

Advt. No.: 59/Date: 22 September 2000

CURRENT SCIENCE

SUBMISSION IN ELECTRONIC FORM

Authors who have been informed of acceptance of their manuscripts may send the final version in electronic form on floppy diskette (3.5" preferred; IBM PC format only, *not* Mackintosh). The text of the manuscript only should be supplied as a plain ASCII file with no formatting other than line and paragraph breaks. (WordStar 5.5 or 7.0 and Microsoft Word for Windows 6.0 are acceptable, but ASCII is preferred.) A hard copy of the text, with all typesetting information (italics, bold, mathematical type, superscripts, subscripts, etc.) must accompany the electronic copy. Tables and figures must be supplied only as hard copy. The diskette must be labeled clearly with the following: manuscript number, file name, file information (ASCII or WordStar, version number, etc.).

Text may also be transmitted as ASCII only by e-mail to currsci@ias.ernet.in.

We expect that electronic submission will result in quicker processing for publication.
