

CENTRE FOR DNA FINGERPRINTING AND DIAGNOSTICS

HYDERABAD

Ph.D. Programme

CDFD is an autonomous Institute of excellence funded by the Department of Biotechnology, Ministry of Science and Technology, Government of India, to provide services and conduct basic research. The areas of research interest include molecular and cell biology, regulation of gene expression, bacterial genetics, immunology, virology, computational genomics, bioinformatics, and silkworm genetics. (<http://www.cdfd.org.in>).

CDFD invites applications containing CV, research interest and career goals from candidates who have completed a Master's degree in Science/Engg./Medicine with minimum 55% marks, and who have cleared CSIR-UGC NET exam for JRF, for conducting advanced research. Candidates who expect to complete their Master's degree by summer 2001 are also eligible to apply and their admission will be contingent on successful clearance of the qualifying examination. Selected candidates will be encouraged to register for a Ph.D. degree. We are affiliated to the University of Hyderabad for the Ph.D. program. CDFD will provide shared accommodation to selected candidates in its Hostel.

The selection will be made on the basis of an interview at CDFD, Hyderabad on Wednesday, 6 June 2001. Candidates short-listed for interviews will be informed by the end of April 2001.

Applications must reach the Director, CDFD, ECIL Road, Nacharam, Hyderabad 500 076 latest by **2 April 2001**.
