The Congress has special concessional registration fee of 50% for the basic research scientists category. To avail of this concession delegates are requested to produce a certificate from head of the institute in which they are working.

National Institute of Research on Jute & Allied Fibre Technology

(Indian Council of Agricultural Research)
12, Regent Park, Kolkata 700 040

A walk-in-interview will be held at this Institute on 15 May 2001 at 11.00 AM for recruitment of Two Senior Research Fellows (one reserved for OBC and one unreserved) on purely temporary basis to work in the National Agricultural Technology Project entitled **Composites and Moulded Products from Jute & Allied Fibres** on a consolidated Fellowship of Rs 5000/- per month plus HRA as per rules. The duration of the project is about four years.

Eligibility:

- Essential* : M.Sc. (Org. Chemistry)/M.Tech. (Applied Chemistry)
Desirable : Experience in jute natural fibre-based composites & moulded products
Experience : Laminated products preferred.
Age limit : 30 years (Relaxable as per rules)

If no suitable candidate is available from OBC category, the post will be filled up from among the candidates of unreserved category. Candidates of unreserved category may also appear at the walk-in-interview.

Interested candidate fulfilling the eligibility may appear at the interview with application along with biodata, attested copies of certificates, mark sheets and testimonials. The candidates should also bring along the originals. No TA/DA will be paid for attending the interview.
