

AstraZeneca Research Foundation India is pleased to announce an **International Symposium on 'Current Developments in Drug Discovery for Tuberculosis' from 14 to 17 January 2002.**

*Co-Sponsors:* Global Alliance for TB Drug Development, New York, USA and World Health Organization – Tropical Diseases Research, Geneva, Switzerland.

*Venue:* J.N. Auditorium, National Science Seminar Complex, Indian Institute of Science Campus, Bangalore, India.

*14 January 2002 (4:00 pm):* Prof. Sune Bergström Public Lecture, Prof. Clifton E. Barry III, National Institute of Health, Rockville, USA.

*15–17 January 2002:* Invited speakers include Patrick J. Brennan (USA), Maurizio Botta (Italy), Stewart Cole (France), M. Joseph Colston (UK), Mamadou Daffé (France), Kenneth Duncan (UK), JoAnne L. Flynn (USA), Maria Laura Gennaro (USA), Brigitte Gicquel (France), William R. Jacobs (USA), Peter R. Jungblut (Germany), Charles E. Lawrence (USA), John D. McKinney (USA), David N. McMurray (USA), Robert Modlin (USA), K. Muniyappa (India), Ian Orme (USA), Ramesh Panchagnula (India), Charles A. Peloquin (USA), Mark Perkins (Switzerland), Lalita Ramakrishnan (USA), David G. Russell (USA), James C. Sacchettini (USA), Thomas M. Shinnick (USA), Edith Sim (UK), Neil Stoker (UK), Ken Stover (USA), Michele Trucksis (USA), Jaya Tyagi (India), Robert S. Wallis (USA).

*Poster Presentations:* Participants are encouraged to present their work as posters. **Abstracts must be sent by registrants on or before 15 November 2001.**

*Registration Fee:* Students Rs 500; Academics Rs 1200 and Corporate Rs 2500. Cheque/Bank Draft should be drawn on AstraZeneca Research Foundation India, payable at Bangalore.

*For registration write/fax/e-mail to:* AstraZeneca Research Foundation India, Attn: Symposium Secretariate, 277 Sri T. Chowdaiah Road (P.O. Box 359), Malleswaram, Bangalore 560 003. Tel: +91-80-3340-372; Fax: +91-80-3340-449; e-mail: cdtb@astrazeneca.com

## NATIONAL SEMINAR ON RECENT ADVANCES IN MOLECULAR PHYSIOLOGY

### *Organised by*

**University of Kalyani, Kalyani 741 235, West Bengal, India. Date: 4–6 February 2002. Chairman:** Prof. N. Saha, Vice Chancellor, K. U.; **Jt. Convenors:** Prof. Alok Banerjee, Dr Bijali B. Bhowmik, Dr Chanchal K. Manna, Dr Debashis Das and Dr Sajal Chakraborti. **Treasurer:** Prof. Asit Sarkar. *Participating Departments:* Dept of Biochemistry & Biophysics, Dept of Zoology, Dept of Chemistry, Dept of Environmental Science and Dept of Physical Education of Kalyani University. *Thrust areas:* (i) Signal transduction mechanisms of different physiological processes in health and disease; (ii) Role of metal ions in health and disease; (iii) Molecular mechanisms of exercise and different stress factors; (iv) Molecular endocrinology; (v) Drug delivery; (vi) Functional genomics and proteomics; and (vii) Aging, apoptosis and cancer. *Registration:* The organizing committee is pleased to invite the teachers, scientists, research scholars and students from academic and industrial organizations to attend the seminar. Registration fee: Rs 600.

**Registration form:** Mention: Name..... Sex..... Designation ..... Organization...../Address..... Date..... Cheque/Draft No..... Payable to: **Seminar on Molecular Physiology.** The above information along with an abstract, not exceeding 200 words, and the D/D for registration fee should reach us positively by **16 January 2002.**

*For Information and Registration Contact:* Dr Sajal Chakraborti, Dept of Biochemistry and Biophysics/Prof. Alok Banerjee, Dept of Physical Education, University of Kalyani, Kalyani 741 235, West Bengal, India. Phone: 0091-(033)-5828750 (Extn 293, 294, 232) [Office]; Fax: 0091-33-5828282; email: [saj\\_chakra@rediffmail.com](mailto:saj_chakra@rediffmail.com).
