Require a Technical Co-Founder for a New Bioinformatics Venture

Ours is a new venture having commenced business operations recently. We are on the look-out for a dynamic and entrepreneurial Scientist with a Ph.D. qualification to join us as a founding member of the Board to lead the technical team on a fulltime basis. The successful candidate must, apart from possessing technical expertise, have a sense of the business opportunities on the Scientific and IT side and be able to translate them into working models for execution considering the competitive manpower strength in the country. Relevant technical exposure in leading schools and business abroad will be an added advantage. All applications will be treated as confidential. A suitable equity cum remuneration package can be negotiated. Please apply to bioapply@rediffmail.com

CURRENT SCIENCE

SUBMISSION IN ELECTRONIC FORM

Authors who have been informed of acceptance of their manuscripts may send the final version in electronic form on floppy diskette (3.5" preferred; IBM PC format only, *not* Mackintosh). The text of the manuscript only should be supplied as a plain ASCII file with no formatting other than line and paragraph breaks. (WordStar 5.5 or 7.0 and Microsoft Word for Windows 6.0 are acceptable, but ASCII is preferred.) A hard copy of the text, with all typesetting information (italics, bold, mathematical type, superscripts, subscripts, etc.) must accompany the electronic copy. Tables and figures must be supplied only as hard copy. The diskette must be labeled clearly with the following: manuscript number, file name, file information (ASCII or WordStar, version number, etc.).

Text may also be transmitted as ASCII only by e-mail to currsci@ias.ernet.in.

We expect that electronic submission will result in quicker processing for publication.
