

NATIONAL CENTRE FOR PLANT GENOME RESEARCH (NCPGR)

Post Box No. 10531, Jawaharlal Nehru University Campus
New Delhi 110 067

Applications are invited for two SRF/RA positions in a DBT-funded project from suitable candidates who have gathered some research experience, are in the process of submitting Ph.D. thesis or have recently submitted/completed Ph.D. The concerned project aims at alkaloid profiling, DNA marker-based mapping and functional analysis of mutants in the periwinkle plant *Catharanthus roseus*. The initial appointment will be for one year, fellowship/associateship will be extendable on performance basis; the appointments will be co-terminus with the scheme. The candidates possessing M.Sc. degree in any of the disciplines of Chemistry (including Biochemistry) and Life Sciences (including Biotechnology and Molecular Biology) and having some experience in the areas of interest of the project may apply on plain paper (giving name, age, address and information on educational record, experience and publications/patents, enclosing copies of certificates, M.Sc. mark-sheet, testimonials and reprints) so as to reach **Prof. Sushil Kumar** at the above address on or before 20 August 2002. No TA/DA will be paid for attending the interview.
