

INSTITUTE OF LIFE SCIENCES

(An Autonomous Institute of Department of Biotechnology, Government of India)
Bhubaneswar 751 023, Orissa

The Institute of Life Sciences (ILS), Bhubaneswar, an autonomous Institute under Department of Biotechnology, Government of India is a Premier Research Organization engaged in advanced research on basic and applied areas of Life Sciences like molecular biology of aging & cancer, differential gene expression, transcription factors, infectious diseases, stress biology, ecophysiology and productivity. Applications are invited for the following positions so as to reach the **Director, Institute of Life Sciences, Nalco Square, Bhubaneswar 751 023** (e-mail: pcsupakar@hotmail.com or scsabat@hotmail.com, Fax: +91-674-2300728, Website: www.iisc.org); before 20 March 2003.

1. **Professor (1):** Scale of pay – Rs 16,400/- to 22,400/- (plus other allowances as admissible at ILS).
Qualification: Ph.D./M.D. in any branch of Modern Biology with 15 years of research experience in molecular biology/genetics of cancer as evidenced from publications in high impact journals.
2. **Lecturer (1):** Scale of pay – Rs 8000/- to Rs 13,500/- (plus other allowances as admissible at ILS).
Qualification: M.Sc. and Ph.D. in any branch of Biology with vast field experience on epidemiology of malaria and filariasis.

Only short-listed candidates will be called for the interview and decision of the Screening Committee is final regarding short-listing of candidates. No. TA/DA will be paid for attending the interview. The eligible/interested candidates may send their application on plain paper along with detailed bio-data, details of qualification and experience and list of publications.

Department of Biochemistry

University of Lucknow, Lucknow 226 007

Applications are invited for the following purely temporary positions in a time bound research project entitled **Biotechnology in forest tree improvement with reference to *Leucaena leucocephala*** funded by Department of Biotechnology, New Delhi.

1. **One Research Associate:** Pay @Rs 11,000/- + HRA, pm fixed.
Qualifications: Ph.D. Biochemistry/Biotechnology/Life Sciences with experience on gene cloning and plant transformation. Those who have submitted Ph.D. thesis may also apply.
2. **One Junior Research Fellow:** Pay @ Rs 8000/- + HRA, pm fixed.
Qualifications: M.Sc. Biochemistry/Biotechnology/Life Sciences. Candidates who have appeared/appearing in their M.Sc. Final examination may also apply. NET qualified with experience on gene cloning and plant transformation will be preferred.
3. **One Lab Attendant:** Pay @ Rs 4700/- pm fixed.
Qualifications: B.Sc./I.Sc. with at least 3 years experience of working in a biotechnology laboratory.

Apply on plain paper giving bio-data and details of working experience along with attested copies of the certificates. Application must reach the following within 10 days of the date of appearance of this advertisement. Candidates called for interview will not be paid any TA/DA.
