

## MADRAS DIABETES RESEARCH FOUNDATION (MDRF)

CHENNAI

Website : [www.mvdsc.org](http://www.mvdsc.org) e-mail: [mvdsc@vsnl.com](mailto:mvdsc@vsnl.com)

**MDRF** is an autonomous, non-profit, R&D organization, recognized by the Department of Scientific and Industrial Research, Govt. of India. MDRF is affiliated to both University of Madras and the Tamil Nadu Dr. MGR Medical University, Chennai for offering PhD programs under the supervision of independent scientists.

The Foundation is looking for **Scientists/Post Doctoral Fellows** to join our team investigating the Genetics of Diabetes dealing with genomics, proteomics and pharmacogenomic aspects. Applicants should have completed their PhD and have knowledge in genetics, proteomics and cell signaling work. Candidates possessing experience in molecular techniques especially rDNA technology, eukaryotic expression systems and functional analysis of disease processes will be preferred.

Application including CV, list of publications, and 3 letters of reference should be sent to the Director, Madras Diabetes Research Foundation (MDRF), 4, Conran Smith Road, Gopalapuram, Chennai 600 086 on or before **16 March 2003**. Contact Dr M. Balasubramanyam for further details. (e-mail: [mvdsc@vsnl.com](mailto:mvdsc@vsnl.com), Phone no: 91-44-28200700, 91-44-28200703)

## MADRAS DIABETES RESEARCH FOUNDATION, CHENNAI

in collaboration with

**UNIVERSITY OF ALABAMA AT BIRMINGHAM, ALABAMA, USA &  
THE TAMIL NADU DR. M.G.R. MEDICAL UNIVERSITY, CHENNAI**

Conducts a

### **THREE DAY NATIONAL SEMINAR ON 'CARDIOVASCULAR EPIDEMIOLOGY'**

Venue: Madras Diabetes Research Foundation, Gopalapuram, Chennai

**Dates: 20–22 March 2003**

The seminar covers various topics in the field of **cardiovascular diseases** which includes Global burden/Epidemiology/Risk factors/Molecular and genetic aspects/Bio-statistical interpretation and several others.

Eminent scientists and epidemiologists from University of Alabama at Birmingham, Alabama and University of Minnesota, Minneapolis, USA and leading scientists in the field of epidemiology from all over India will serve on the faculty list.

Scientists, research workers and health care professionals interested in this field are welcome to apply with a short note on their research interests and detailed bio-data. Selected delegates will be provided a II class (non-AC) train fare and hostel accommodation. Selection will be restricted to 30 members, on a "**First-Come First Served**" basis.

Send your application to the Director, Madras Diabetes Research Foundation (MDRF), 4, Conran Smith Road, Gopalapuram, Chennai 600 086 on or before **7 March 2003**. For further details contact Dr. Deepa Raj (e-mail: [mvdsc@vsnl.com](mailto:mvdsc@vsnl.com), Phone no: 91-44-28200700, 91-44-28200703)
