

INDIAN NATIONAL SCIENCE ACADEMY

Bahadur Shah Zafar Marg, New Delhi 110 002

INSA MEDAL FOR YOUNG SCIENTIST FOR THE YEAR 2004

CALL FOR NOMINATIONS

Since 1974, the Academy has instituted **INSA Medal for Young Scientist** with the aim of recognizing young scientists of extraordinary promise and creativity who have made notable research contributions in Science and Technology. This award, considered to be the highest recognition of promise, creativity and excellence in a young scientist, is made annually to those distinguished for these attributes as evidenced by their research work carried out in India. Only those born on or after **1 January 1972** are legible for consideration in the year 2004.

The awardee shall receive a **certificate**, a **bronze medal** and cash award of **Rs 25,000** and **incentives in research work** and further overseas training.

A candidate may be proposed by a Fellow of the Indian National Science Academy or by earlier recipients of this award. Scientific societies of national standing, university faculty/and research institutions may also make nominations of eligible candidates.

The last date for receiving nominations in Academy is **15 October 2003**.

Nomination proforma can be obtained from **Assistant Executive Secretary (Council)** at the above mentioned address by sending a self-addressed envelope of 25 cm × 12 cm size.
