**Department of Chemistry, Indian Institute of Technology, Kanpur**  
**18–31 December 2003**

The Refresher Course for teachers from graduate and post-graduate colleges and university departments aims at providing a unified view of modern inorganic chemistry and hands-on experience in doing a few selected exciting laboratory experiments. Emphasis will be given to the unique inter-disciplinary nature of inorganic chemistry from the context of modern chemical research and teaching. This course also aims to provide a style of teaching modern inorganic chemistry that is clear and interesting to students. The resource persons include:

1. Prof. S. Sarkar, Department of Chemistry, Indian Institute of Technology, Kanpur.
2. Prof. P. K. Bharadwaj, Department of Chemistry, Indian Institute of Technology, Kanpur.
3. Dr S. Goswami, Department of Inorganic Chemistry, Indian Association for the Cultivation of Science, Kolkata.
4. Prof. R. Murugavel, Department of Chemistry, Indian Institute of Technology, Mumbai.
5. Prof. A. J. Elias, Department of Chemistry, Indian Institute of Technology, Delhi.
6. Prof. R. N. Mukherjee, Department of Chemistry, Indian Institute of Technology, Kanpur (Coordinator).

Teachers who wish to participate in the Refresher Course may send their application (containing name, date of birth, official and residential addresses along with telephone number(s) and e-mail address(es), qualifications, teaching experience, courses taught, positions held, etc.) to:
