Applications are invited from Indian Nationals for the position of a Junior Research Fellow under the project entitled "**Development of Carbon/Carbon Composite Tubes with Tailored Carbon Matrix Structure**" sponsored by Board of Research in Nuclear Science (BRNS) Department of Atomic Energy. The Fellowship is for two years to be co-terminus with the project.

Qualification : M.Sc. (Materials Science) or related areas with good academic record. NET/JRF test qualified (preferable).
Research experience in Carbon–Carbon composite/high temperature composite desirable.

Remuneration : Rs 8000/- p.m. fixed or as specified by DAE from time to time.

Application including biodata should be sent to the Principal Investigator at the following address: Prof. L. M. Manocha, Head, Department of Materials Science, Sardar Patel University, Vallabh Vidyanagar 388 120, Gujarat, India within fifteen days from the date of publication of this advertisement.

Appointment of Junior Research Fellow

Applications are invited for a position of JRF under the BRNS project "**Synthesis, Structural and Optical spectral properties of Oxadiazole Fluoroionophores, Selective Fluorescence Sensors**". Interested candidates with M.Sc. in chemistry with organic specialization may send application with e-mail address within 15 days to Prof. S. H. Mashraqui. The candidates called for interview will have to appear at their own expense.
