

**RAJIV GANDHI CENTRE FOR BIOTECHNOLOGY
(An Institution under the Kerala State Council for
Science, Technology and Environment)
Thiruvananthapuram 695 014**

JRF POSITIONS AVAILABLE

Applications are invited from Indian Nationals for the following positions:

- 1. One Junior Research Fellow** in a "DST sponsored extramural research grant titled "Characterization of the components of the mice NADPH oxidase of the ovary and the uterus expressed during early pregnancy" to work in the Embryo Implantation Group, Molecular Reproduction Unit of RGCB. The Project's duration is up to November 2005 with a possible one year extension.
- 2. One Junior Research Fellow** in a DST sponsored research grant entitled "Mechanisms of activation of NADPH oxidase in blue light signal transduction reactions in coleoptile tip".

The posts are coterminus with the duration of the respective Projects and DST would have no liability to meet these manpower costs beyond the duration of the Projects. Emoluments would be as per the terms of DST.

Essential Qualifications: Masters Degree in any area of Biological Sciences with at least 55% marks. NET/GATE/ICAR/ICMR qualified candidates would be preferred.

Suitably qualified candidates are advised to send their application, on plain paper with a photograph, a copy of the full resume and attested photocopies of credentials and experience, to the undersigned on or before 30 August 2004.
